

FarinGospray orange Spray

Medical device instructional leaflet

Carefully read the whole leaflet as it contains important information.

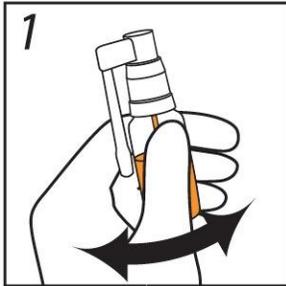

Always use **FarinGospray orange** exactly as described in this leaflet or according to your doctor's or pharmacist's instructions.

Ingredients: Vegetable oil, sea buckthorn oil (*Oleum Hippophaes*), calendula flower oil extract (*Oleum Calendulae*), orange oil (*Oleum Aurantii dulcis*) and rosemary extract (*Extractum Rosmarini*).

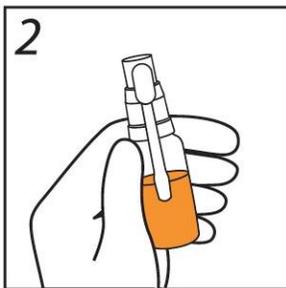

Effect and use: FarinGospray orange is an oil-based product which contains natural oils to cover the mucosa of the oral cavity and pharynx with a protective layer. This layer helps to keep the mucosa moist and flexible, reduce discomfort and pain, itchiness and friction in the throat, thus also easing swallowing.

The product is used to reduce irritation of the mucosa in the oral cavity and pharynx caused by various medical manipulations or inflammation.

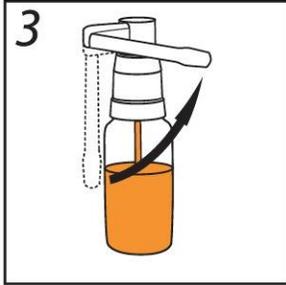

How to use FarinGospray orange

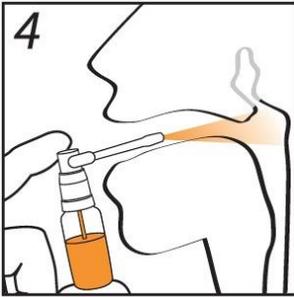

1. Shake the bottle.

2. Hold the bottle with the spray facing towards you.

3. Turn the spray nozzle counter-clockwise at a 90-degree angle.

4. Place the spray in your mouth as illustrated in Figure 4.
5. Spray **FarinGospray orange** into the oral cavity by pressing down on the cap 2-3 times. Hold the bottle vertically!
Pressing down on the cap once releases about 200 mg of the product.
6. Clean the spray with a tissue after use and turn the nozzle back to its initial position.

This product is intended for individual use.

Use 3 times per day. It is not recommended to use the product while eating or drinking in order to ensure a prolonged effect.

The product should be used until the symptoms disappear; however, it is recommended that you consult your doctor if the symptoms (discomfort, pain in throat) persist after one week of use.

Caution! May stain clothing.

Safety precautions: Do not use if you are highly sensitive (allergic) to any of the product's ingredients. Avoid contact with eyes! In case of accidental contact with the eyes, immediately rinse open eyes in running water and consult your doctor. The product can be used for children from ages 2 and up. Parental supervision needed for use by children under the age of 6.

There are no reported side effects caused by the use of **FarinGospray orange**.

Consult your doctor or pharmacist if you are experiencing any side effects.

Storage: Keep in a dry place out of the reach of children. Store tightly sealed in the original packaging at room temperature (15-25°C). Use within 3 months after opening. Do not use after the expiration date indicated on the package.
